RE: Viquar A. Chaudhry

To Whom It May Concern:

I am a Business Education Instructor at County Prep High School in Jersey City, NJ. I am writing this letter of recommendation for Mr. Viquar Chaudhry . I have known Viquar for the past three years and have been his Business Education instructor for that time. Over these years, Mr. Chaudhry has demonstrated an exceptional intellectual curiosity that will serve him well in all of his future endeavors. His academic performance is well above average and he possesses an understanding of the importance of life-long learning. I am confident that his performance in academic institutions in the future will continue to outperform the average.

In personal situations, Viquar has proven to be a personable individual, always considerate of his peers and all others around him. He is well perceived by school staff and shows a deep respect for authority. He has many friends among his peers and he is always willing to assist classmates in areas where he can provide an understanding of material in which they require additional help.

Mr. Chaudhry has proven to be able to learn new techniques very quickly, and to apply new knowledge to future situations. In the Financial Accounting class, which is mainly procedural, he learns the process quickly and always follows correct procedure once it is demonstrated in class. I am certain that his ability to learn new techniques quickly, will serve him well in any work environment in his future.

I am pleased to offer my strongest recommendation for Mr. Viquar Chaudhry. He is sure to prove to be a valuable asset to any organization and will succeed in all of his future endeavors.

If I can be of any further assistance please do not hesitate to contact me at the above address or phone number.

Sincerely,

John M. Anzivino
